

Priya Sharma

Machine Learning Engineer

Skills:

- Python, Scikit-learn, TensorFlow, PyTorch
- Pandas, NumPy, Matplotlib
- Data Preprocessing, Feature Engineering
- AWS, Docker, REST APIs

Experience:

ML Engineer | DeepData Labs | 2021–Present

- Built classification and regression models
- Deployed models using Flask & Docker
- Handled real-time data pipelines on AWS

Education:

M.Tech in Artificial Intelligence, IIT Bombay
